

National Infant
Immunization Week 2008

What is National Infant Immunization Week? National Infant Immunization Week (NIIW) is an annual observance to highlight the importance of protecting infants from vaccine-preventable diseases and celebrate the achievements of immunization programs and their partners in promoting healthy communities. This year, NIIW is April 19-26.

The Utah County Health Department (UCHD) is sponsoring a FREE health fair for children of all ages to kick off National Infant Immunization Week. Activities planned for the "Arm Yourself Against Disease" Children's Health Fair include:

- Bike Safety (no bike needed)
- Demonstrations by the Provo Police and Fire Departments
- Door Prizes, including bike helmets and two bicycles!
